

**St. John XXIII Parish at St. Nicolas de Flue
Parish Administrative Council AGA 2025**

Name: Julien Senderos
Position: Property Management

Description of function:

- On-going oversight and maintenance of the parish building complex/grounds and management of related suppliers,
- On-going management of safety regulations (fire drills etc) and building security.

Key Accomplishments in 2024/2025:

- On-going management of suppliers, repairs, cost management of complex roof repair,
- Initial assessment and planning for our parish building complex to meet 2030/2050 energy efficiency targets of the Geneva Canton Energy Master Plan
- Complete revision and update of the Parish's building complex insurance policies,
- Addressing issues in plumbing and sewer systems as required around parish house,
- On-going management of parking issues around the parish house.

Targets for 2025/26:

- Continue to maintain and upgrade parish facilities as required,
- Formal Assessment of Parish's energy consumption opportunism and plan to meet cantonal objectives.
